When Keitaro Urashima tails his entrance exams to get into Tokyo University for the second time, he's officially an unemployed and uneducated slacker. To make things worse, his parents have kicked him out of his house. Fortunately, his grandmother owns the tabulous Himata House and Keitaro is going to be the new caretaker. What he doesn't know is the lodge is actually a girls dorm and he's the only guy around! Most guys would kill to live with five cute girls, but if Keitaro's not careful, this job will kill him.
